[LinkedIn](#) · [Portfolio](#)

I am a highly motivated and dependable Front End Developer with a stellar customer service record and superb work ethic. I specialize in JavaScript and have professional experience working with HTML, CSS, Bootstrap, and React. I am a life-long learner and would like to have the opportunity to grow my skills while contributing to worthwhile projects.

EXPERIENCE

OCT 2017 – MAY 2020

FRONT END DEVELOPER, OnlineTickets.com

- Assisted colleagues in developing designs for company's website and converting them into interactive web elements.
- Maintained and updated HTML, CSS, and JavaScript templates on regular basis and as required.
- Used SEO best practices to elevate company's web presence; achieved top 10 Google rankings on several highly competitive keywords.

SEP 2015 – MAR 2020

PHOTOGRAPHER/WEB DEVELOPER, Livia Photo

- Produced compelling photographs for clients including real estate agencies, interior designers, and advertisers.
- Oversaw all aspects of business management including financial, marketing, and customer service.
- Built responsive property websites for realtors to showcase their properties.
